

APPLICATION FOR CREDIT TRANSFER

Prospective students wishing to transfer academic credits (interior design specific) may be eligible to do so if evidence of education is submitted. Past training or experiential learning credit will also be considered upon evaluation of proficiency in selected subjects.

Students wishing to apply for external credits for prior *certificated* learning (past training with supporting certification) or prior *experiential* learning (based on lifelong experience but not supported by certification) must complete this form and send it to Rhoddec along with a non-refundable application fee. Please include the following:

- This form, completed and signed, plus the application fee payable by cheque, money order or credit/debit card details. Certificated learning application fee: £15; experiential learning application fee: £40; combination application fee: £55.
- Sealed copies of academic transcripts.
- Course descriptions from school prospectus or website printout
- Name and contact details of design department head (if known)

Please answer the following questions fully and type or print your answers. Incomplete applications will be returned.
